**Sec. 50-39. - Deposit required prior to turning on water supply;
purpose; refunds.**

(a) Prior to turning on the supply of water from a town water main to any property which is connected thereto billed monthly, the consumer of water for such property shall deposit with the water and sewer department the sum of \$100.00. Senior citizens who meet the qualifications of section 50-41 shall pay a deposit of \$50.00 for a monthly billing account.

(b) Prior to turning on the supply of water from a town water main to any property which is connected thereto billed quarterly, the consumer of water for such property shall deposit with the water and sewer department the sum of \$200.00. Senior citizens who meet the qualifications of section 50-41 shall pay a deposit of \$75.00.

(c) This deposit must be made before the water is turned on.

(d) Deposits as required by this section shall be applied to water and sewer service bills that become delinquent; and no deposit shall be refunded until the service is discontinued, and then only to the extent of any surplus over any unpaid service bills due or to become due.

(e) A separate deposit shall be required for each water meter. No interest shall be paid on the deposit.

(Code 1972, § 18-9; Amend. of 10-6-2004; Ord. No. 2009-04, 10-7-2009)
